 : [www.moulinex.com](http://www.moulinex.com)

*This product is **repairable** by MOULINEX, during and after the **guarantee** period.*

## The Guarantee

This product is guaranteed by MOULINEX (company address and details included in the country list of the MOULINEX International Guarantee) against any manufacturing defect in materials or workmanship during the guarantee period within those countries as stated in the country list on the last page of the user manual, starting from the initial date of purchase.

The international manufacturer's guarantee by MOULINEX is an extra benefit which does not affect consumer's Statutory Rights.

The international manufacturer's guarantee covers all costs related to restoring the proven defective product so that it conforms to its original specifications, through the repair or replacement of any defective part and the necessary labour. At MOULINEX's choice, a replacement product may be provided instead of repairing a defective product. MOULINEX's sole obligation and your exclusive resolution under this guarantee are limited to such repair or replacement.

## Conditions & Exclusions

The international MOULINEX guarantee only applies within the guarantee period and for those countries listed in the Country List attached and is valid only on presentation of a proof of purchase. The product can be taken directly in person to an authorised service centre or must be adequately packaged and returned, by recorded delivery (or equivalent method of postage), to a MOULINEX authorised service centre. Full address details for each country's authorised service centers are listed on MOULINEX website ([www.moulinex.com](http://www.moulinex.com)) or by calling the appropriate telephone number as set out in the Country List to request the appropriate postal address.

MOULINEX shall not be obliged to repair or replace any product which is not accompanied by a valid proof of purchase.

This guarantee will not cover any damage which could occur as a result of misuse, negligence, failure to follow MOULINEX instructions, use on current or voltage other than as stamped on the product, or a modification or unauthorised repair of the product. It also does not cover normal wear and tear, maintenance or replacement of consumable parts, or the following:

- using the wrong type of water or consumable
- scaling (any de-scaling must be carried out according to the instructions for use);
- ingress of water, dust or insects into the product;
- mechanical damages, overloading
- damages or bad results due to wrong voltage or frequency
- accidents including fire, flood, thunderbolt etc
- professional or commercial use
- damage to any glass or porcelain ware in the product
- replacement of consumables

This guarantee does not apply to any product that has been tampered with, or to damages incurred through improper use and care, faulty packaging by the owner or mishandling by any carrier.

The international MOULINEX guarantee applies only for products purchased in one of the countries listed, and used for domestic purposes only in one of the countries listed on the Country List. Where a product purchased in one listed country and then used in another listed country:

- a) The international MOULINEX guarantee duration is the one in the country of usage of the product, even if the product was purchased in another listed country with different guarantee duration.
- b) The international MOULINEX guarantee does not apply in case of non conformity of the purchased product with the local standards, such as voltage, frequency, power plugs, or other local technical specifications
- c) The repair process for products purchased outside the country of use may require a longer time if the product is not locally sold by MOULINEX
- d) In cases where the product is not repairable in the new country, the international MOULINEX guarantee is limited to a replacement by a similar product or an alternative product at similar cost, where possible.

## Consumer Statutory Rights

This international MOULINEX guarantee does not affect the statutory rights a consumer may have or those rights that cannot be excluded or limited, nor rights against the retailer from which the consumer purchased the product. This guarantee gives a consumer specific legal rights, and the consumer may also have other legal rights which vary from State to State or Country to Country. The consumer may assert any such rights at his sole discretion.

## Additional information

Accessories, Consumables and end-user replaceable parts can be purchased, if locally available, as described on the MOULINEX internet site.
